

MILL CREEK CANYON COMMUNITY EMERGENCY RESPONSE TEAM

The Mill Creek Canyon Emergency Response Team (C.E.R.T.) is a community volunteer service under the San Bernardino County Office of Emergency Services and Fire Corps. In the event of a natural disaster or emergency situation, C.E.R.T. is activated to assist the community. During these kinds of events, response time from the usual emergency services may be slow and community members will have to rely on one another. C.E.R.T. is our trained force and resource.

C.E.R.T. Training classes are typically held once a year in the Springtime. We provide self-help as well as community assistance training. Team membership is not mandatory. Consider becoming a C.E.R.T. volunteer to help your neighbors and your community in times of need.
